Mr. Tony Woods
Advantage Auto Parts S.A.
Gawler South Aust 5118

Dear Tony,

Thanks for recommending the Unicoil product for my mobile radiator repair business. The fact that I only need to carry two hoses to fit most 5/8" applications saves not only room in my van but also a great deal of money spent on many different types of pre-moulded hoses and waiting for parts. It is also reassuring to know the product carries a manufacturers warranty of three years and the stainless steel coils and hose supplied is of the highest standard.

Unicoil has given me peace of mind knowing that I will always have the correct hose for the job, which is essential with a mobile service. Unicoil is a true godsend because it covers hundreds of part numbers in one convenient pack. I have highly recommended Unicoil to all of our A1 Mobile Radiator fleet operators as a must-have product.

Again, thank you.

Yours sincerely,

Tony Ludbrook
